

# Adapting to the changing world of business

**Croner would like to invite you to attend our complimentary event exclusively for local association members at 2:00pm on Tuesday 28th June 2022.**

Join our expert HR and health & safety speaker from Croner and learn how to simplify the toughest challenges of working in HR. Tackle nasty grievances and disciplinarys head-on, shield your business from the ugly and time-consuming tribunal claims, and boost productivity and efficiency.

Topics covered on the day will include:

- Protecting the mental health of your staff
- The risks and rewards of remote & hybrid working
- Managing staff absence, sickness, and annual leave with confidence
- How to attract and retain the right candidates
- Simple steps to improve equality, diversity, and inclusion
- Addressing the challenges of a workplace restructure
- Women's health in the workplace - where HR falls short
- Why manage Health & Safety?

To confirm your attendance at this FREE event, exclusively for business owners & employers, please reserve your place today
