Kiwa Training are pleased to be offering FIAS Driver CPC training delivered on site, remotely or at an allocated venue

As the certification body for the Fertiliser Industry Assurance Scheme (FIAS), Kiwa Training is approved as a JAUPC CPC Training Centre and approved to deliver a FIAS CPC course for drivers.

The course is designed to coincide with the FIAS Haulage Code of Practice and once completed by your drivers they will receive their certificate of training. This certificate can be used at your FIAS audit as confirmation that you have successfully completed a FIAS transport safety course as required within the AIC scheme.

*As part of legislation, haulage businesses or any business that has a fleet and drivers within their control are required to send their drivers on 35 hours of training within a 5 year period. This training is known as Driver Certificate of Professional Competence (CPC) course.*

Course Contents includes:

- Complying with fertiliser legislation including Risk Assessment
- Updating your existing knowledge of fertiliser security FIAS 2021 Code of Practice
- Understanding the carriage of fertiliser
- Understanding the requirements of safe loading/unloading.
