RESEARCH SCHOLARSHIP  
UP TO £3000 FUND FOR 2026**

# THE EDGAR PYE RESEARCH SCHOLARSHIP

## 2026

**The Edgar Pye Research Scholarship Trust** (Registration Charity No. 1004754) was founded following the untimely death of R. Edgar Pye in July 1989, President of the Society of Feed Technologists, to perpetuate his memory by offering research scholarships relating to the animal feed industry.

.....

### Trustees, Committee and Judging Panel for 2026

The Society of Feed Technologists undertakes the management of the Trust and the Research Scholarship. The activities of the Trust are financed from a modest investment fund and the generosity of sponsors without whom the award levels would not be possible.

#### Trustees:

Richard Remmer (Chairman), Inge Verwoerd (Secretary), John Long, George Perrott (Treasurer), Dr John Dunne and David Wilde.

#### Committee Members:

In addition to the Trustees above Dr. Jules Taylor-Pickard is a committee member.

#### Judging Panel:

John Dunne, David Wilde, Richard Remmer and Dr. Jules Taylor-Pickard have been appointed judges for 2026. The judges are at liberty to seek specialist assistance as required.

.....

### The Research Project.

A research-based project is chosen competitively and may be in any area of farm animal feeding including animal nutrition, management, welfare, feed production and marketing. The project can be undertaken in the UK or Ireland, or based on study travel.

.....

### Who Should Apply?

The Trust welcomes applications from anyone studying agriculture or a related subject, or who is already employed in the Animal Feed Industry in the UK or Ireland, and is resident in the United Kingdom or the Republic of Ireland.

## **The Basis on which Edgar Pye Research Scholarships will be Awarded:**

The award will be given to the applicant, who, in the opinion of the panel of judges, has most capably:

- Identified an area of research relevant to the UK and Irish Compound Feed Industry in the forthcoming five years
- Prepared a programme thoroughly, including sources of information
- Provided a realistic budget for the costs of the project
- Presented the proposals clearly and according to the rules

.....

## **The Benefits of being awarded an Edgar Pye Research Scholarship:**

- For 2025, two awards were given, one of £2000 and another of £3000.
- Early exposure to the feed industry with enhanced employment opportunities.
- Contributing to developments in the animal feed industry.

.....
